Product description

The e-Box® II Wall Mount is an electric height-adjustable solution for displays up to 98" and 200 kg. Its dual-column design ensures stability and the wired remote with 3 presets allows smooth and precise adjustments. With 650 mm of movement, it's fully accessible, even for wheelchair users.

Build-in cable management and dedicated mini-PC storage ensure a tidy setup, while optional accessories provide added versatility and functionality.

Article number	Product Description	Power cable
487A12015 (US)	E-BOX II MOTORIZED HEIGHT ADJUSTABLE WALL MOUNT USA	USA/Can type A
