

## Product description

The e-Box III Motorized Wall mount supports displays up to 98" and max. 140kg / 308 lbs. The mount offers 98cm / 38.6" of smooth and fast height adjustment (50mm/sec) and features anti-collision for extra safety. The e-Box III has a box style frame allowing for equipment, such as a mini-PC, to be neatly secured behind the display. The integrated VESA mount supports displays with max. VESA 800x600. Two adjustable wall mounting brackets allow for safe and quick installation to the wall, including stud walls (16" and 24" mounting pattern included). To enhance user engagement, a wide range of accessories is available.
