

## Product description

The e-Box III Motorized Wall mount supports displays up to 98" with max. 140kg / 308 lbs. The mount offers 98cm / 38.6" of smooth and fast height adjustment (50mm/sec) and features anti-collision for extra safety. The e-Box III features a box style frame with integrated VESA 75/100 mounting pattern, allowing for additional accessories, such as a mini-PC, to be safely secured behind the display. A VESA mount is included for displays with max. VESA 800x600. Two adjustable wall mounting brackets allow for safe and quick installation to the wall, including stud walls (16" and 24" mounting pattern included). A range of accessories are also available to enhance user engagement.
